Agency Number: 437

Priority: High

Intent:

The budget bill must include a new alpha appropriation in the department of children and families. The appropriation must be a local assistance, PR-S, continuing appropriation in program 1. We are carving out part of 20.437(1)(o) now includes part of the funding we want to put in the new appropriation, and it needs to change from PR-F funding to PR-S funding.

The appropriation will hold all SSBG funds that are received by the Department of Health Services and TANF funds that are converted to SSBG funds.

These funds will then support the children and family aids program throughout the department of children and families. Wherever there is a program reference to appropriations 20.437(1)(b) and (o), a reference to the new appropriation will need to be added.

12 **SECTION 9.** 48.569 (1) (d) of the statutes is amended to read:

13 48.569 (1) (d) From the appropriations under s. 20.437 (1) (b), (km), and (o), the
